

PROCLAMATION DAY

Proclamation Day, 15th March is fast approaching. We are marking the occasion with some activities beginning at 7pm. We will have a short drama, a new Proclamation, an original song and an ancestry project lined up. We will also be raising the National Flag outside the school.

To round off the evening, the Board of Management intend to make a presentation to Frank Brislane to mark his almost thirty years of service to Kilkeary N.S.

You are invited to come along to the school to be part of the festivities. Light refreshments will be served.

SCHOOL SELF EVALUATION

We are continuing our work in respect of the ongoing School Self-Evaluation process.

In the area of literacy the classes have been looking at different types of comprehension strategies.

In the area of numeracy our focus has been on problem solving. The children have been looking at different problem types and how to go about solving them.
